WHAT ARE PASTEL JELLIES?

Pastel Jelly nail polishes are semi-sheer with a unique milky & buildable streak-resistant formula. They can be worn alone or layered to create an endless variety of custom colors and effects. Not only are they extremely versatile, they also have a super glossy, high-shine finish!

HOW TO MAKE YOUR KISSES MANICURE LAST:

1. Saturate cotton pad with Zoya Remove+ and hold on nail for a few seconds & wipe away existing polish.
2. Apply one coat of Naked Manicure™ Naked Base.
3. Optional - Apply any Naked Manicure™ Perfector. Lavender Perfector is recommended for discoloration!
4. Apply your desired Kisses shade - don't forget it's buildable color!
5. Apply one coat of Naked Manicure™ Glossy Seal Top Coat.
6. For a quick dry - apply one drop of Zoya Fast Drops to each nail.
